**Substitute Teacher
Information**

2024 – 2025

INTRODUCTION

Welcome to Bellevue Public Schools. As a substitute teacher you play a vital role in maintaining the continuity of the educational program during the absence of the teacher.

Your job is a challenging one which requires a great deal of flexibility. Approached with a positive attitude, this job can be a highly rewarding one as well. It takes the dedication, ingenuity and resourcefulness of a true professional.

This brochure has been prepared to provide you with information which is pertinent to our District. More information will be provided at the individual building.

QUALIFICATIONS

All substitute teachers must complete a certified application, register their original valid Nebraska Teaching Certificate with Bellevue Public Schools, and have a copy of two forms of identification (social security card and valid driver's license) on file before employment.

Before being placed on the Substitute Teacher list, each applicant will be required to provide a credential file or two or more letters of recommendation.

NOTE: If a valid driver's license or social security card is not available, please contact the personnel department as to other forms of acceptable identification.

CERTIFICATION

A certificate can be renewed before expiration by completing an Application for a Nebraska Certificate and sending the form to the State Department of Education in Lincoln for renewal.

A person with a substitute certificate can only substitute ninety times in the same assignment. A person with a local substitute teaching certificate is limited to ninety days of teaching in any school year and may teach only in the school system requesting issuance.

ASSIGNMENT / REPORTING PROCEDURE

A computerized system is used by Bellevue Schools for obtaining substitute teachers. The computer normally contacts substitutes between 5:30 a.m. and 12:00 p.m. For absences known in advance, the computer may contact you from 4:00 p.m. to 10:00 p.m. The substitute teacher should report to his/her assigned school building as instructed by Absence Management. Upon arrival, all substitutes should report to the office for directions. When canceling an assignment on the day you are to sub, be sure and notify the building as well as Absence Management.

NOTE: Every effort is made to assign substitute teachers to their endorsed area.
