

Bellevue Public Schools

Self-Management of Diabetes at School Consent/Release Form

A new action plan is required each school year to be completed on or after May 1 and must be accompanied by:

- Signed physician authorization for self-management of asthma/anaphylaxis at school.
 - Current written medical management plan.

Parent/Guardian: By signing below, you acknowledge the following:

- 1. You are requesting that your student be allowed to self-manage his/her diabetes at school.
- 2. You have confidence that your student has the knowledge and skills needed to self-manage his/her diabetes at school.
- 3. You understand that you are not required to make this request on behalf of your child. Your child may utilize the health office for diabetes cares. Your child may request assistance from qualified school health personnel at any time during the school day.
- 4. If your student injures school personnel or another student as a result of misuse of diabetes supplies, you shall be responsible for any and all cost associated with such injury.
- 5. The school and its employees are not liable for any injury or death arising from a student's self-management of his/her diabetes.
- 6. You will indemnify and hold harmless the school and its employees and agents against any claim arising from a student's selfmanagement of his/her diabetes.
- 7. We strongly recommend you provide an extra supply of your student's medication to be kept in the health office as a back-up supply.
